POTREBNÉ NÁRADIE

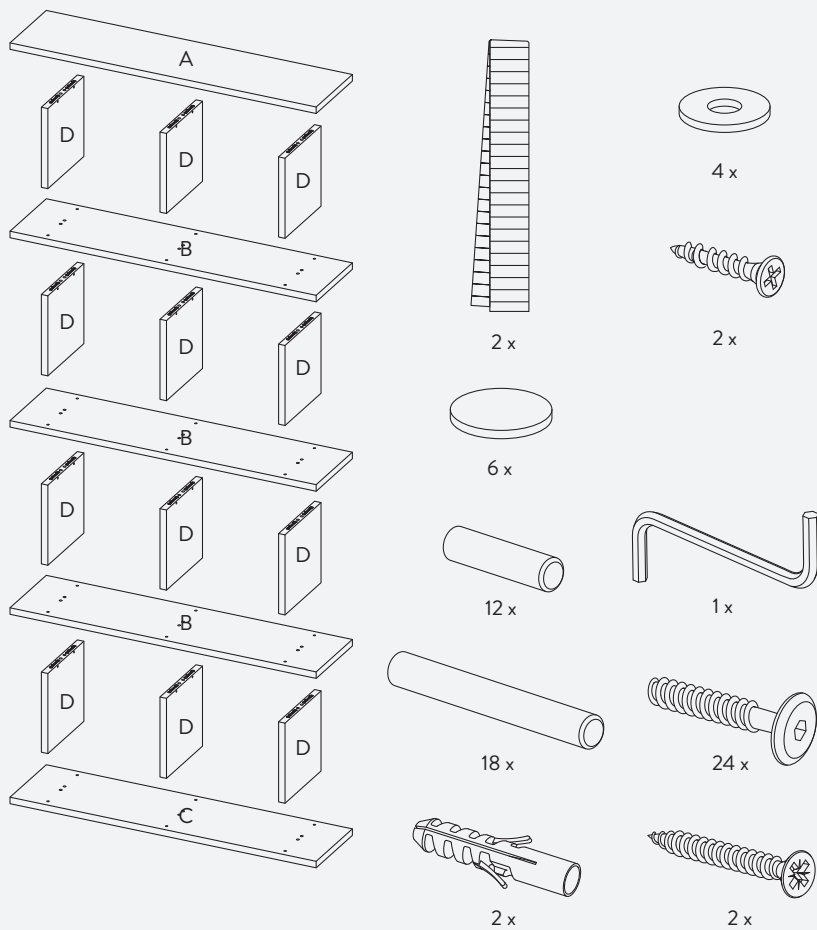

UPOZORNENIE!!!

Pri prevrátení nábytku, ktorý nebol riadne zabezpečený, môže dôjsť k vážnym zraneniam. Aby ste tomu zabránili, nábytok musí byť nainštalovaný pomocou jednotky nástenného držáka, ktorá je súčasťou balenia. Skrutky a hmoždinky na stenu nie sú súčasťou dodávky. Použite skrutky a hmoždinky vhodné pre váš typ steny. Ak si nie ste istí, vždy vyhľadajte odbornú radu. Pozorne si prečítajte návod a postupujte podľa jednotlivých krokov pri montáži nábytku na stenu. Nábytok nikdy neumiestňujte voľne stojaci!
